## TYPES OF FINANCIAL AID

**Grants** - Can be federal, state, or Institutional and all are based off of your financial need as determined by the FAFSA or TASFA.

**Scholarships** - Type of free money; based on academic merit, talent, or area of study.

**Student Employment** - Working while going to college can help pay for your expenses.

**Loans** - Use as a last option! Know the difference between subsidized and unsubsidized loans.
