## March of Dimes 2026

**Core Value: I Can Make a Difference**

2026 marks our 24th year partnering with the March of Dimes and that is something we at CCFCU are incredibly proud of. For more than two decades, our branches have hosted fundraisers throughout the month of March and participated in the annual March of Dimes walk, all in support of improving the health of moms and babies.

Why does this cause matter so much to us? Because it's personal. Many of our CCFCU team members have been impacted, whether through their children, grandchildren, siblings, or even their own journeys.

This year, we not only met our fundraising goal of \$25,000, we exceeded it! Tune in to our social media channels to see what branch led the way.

Thank you to our members and the communities we serve for helping us make a difference. Together, we are supporting stronger beginnings for families everywhere.

## Financial Literacy Month

**Core Value: Be a Financially Sound Leader**

April is dedicated to promoting financial education, smart money management, and member empowerment, and at CCFCU, financial literacy is truly one of our heartsongs.

We believe that equipping children with financial knowledge today opens the door to greater choices and opportunities tomorrow. That's why we invest so intentionally in students, classrooms, and teachers across West Texas.

Beyond our youth programs, we are committed to educating and empowering all of our members with the tools and resources needed to make confident financial decisions.

We believe in building a better tomorrow; and we're planting the seeds today.
