Odessa College Preview Day

Supporting Educators and Future Wranglers at Odessa College Preview Day

At CCFCU, we believe investing in education is one of the best ways to strengthen our communities. That's why we're proud to support Odessa College Preview Day, an event designed to help prospective and current students discover everything Odessa College has to offer.

Preview Day gives students and their families the opportunity to meet with advisors and faculty, explore academic programs, learn about financial aid, and connect with the campus resources that help students succeed from their very first semester.

As students prepare for the next chapter of their educational journey, we're honored to stand beside them. Whether they're enrolling in classes, pursuing a career change, or taking their first step toward a degree, CCFCU is committed to not only supporting financial capability every step of the way, we are committed to being financially sound leaders.

Strong students build strong communities, and we're proud to invest in both.

The Safer Way to Pay: Tap to Pay and Fraud

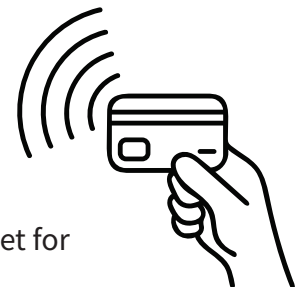

Convenient Banking Meets Security: Tap To Pay

Whether you're grabbing your morning coffee or checking out at the grocery store, Tap to Pay makes every purchase quick, easy, and most importantly, secure.

When you tap your CCFCU debit card, credit card, or your mobile wallet, your payment uses advanced encryption technology that creates a unique transaction code. That means your actual card number isn't shared with the merchant, adding another layer of protection against fraud.

Why members love Tap to Pay:

- Fast checkout with just a tap
- No need to swipe or insert your card
- Added security through encrypted transactions
- Accepted at millions of retailers
- Available with your CCFCU debit and credit cards
- Add your cards to Apple Pay®, Google Pay™, or Samsung Wallet for even more convenience

The next time you see the contactless payment symbol, simply tap and go. It's one more way CCFCU helps make everyday banking safer, smarter, and easier.

I Heart CCFCU Scavenger Hunt

Core Value: Focused Community Commitment

This past month, we had the opportunity to visit each of the communities we serve, hiding a few special surprises along the way! From the Springs in Big Spring to the CASP in Lubbock and everywhere in between, our community scavenger hunt encouraged members to get out, explore, and rediscover the places that make each of our communities unique.

Every stop reminded us why we're so proud to serve West Texas. It's the people, landmarks, and local traditions that make each community feel like home. Congratulations to everyone who joined the hunt and found one of our hidden hearts!
